What part of the training was most useful?

- All
- Would love to hear more
- Ideas
- Say “I’m not willing to do that”, help children to come up with a solution
- Examples were great.
- Nice handouts and visual displays
- Learned way to deal with problems and ways to say it
- Teaching problem solving
- Everything!
- How to address children in different situations
- Very helpful
- Ways to encourage children
- Examples
- Good points
- Good info, I wish parents heard this

How could the training be improved?

- I thought it had good info, but a little too long, maybe a break in the middle would be good
- More examples
- More handouts, more detailed
- Not so many repeats of examples
